The Military Order of the Loyal Legion of the United States
Commandery, State of Ohio

15 March 2020

To Ohio Companions:

Order No. 3

As your Commander of the Ohio Commandery, I have performed a thorough investigation of the MOLLUS National Constitution and Bylaws and Roberts Rules of Order and gathered all the pertinent facts to make this decision.

In reference to the current COVID-19 (coronavirus) W.H.O. declared pandemic and after reviewing President Trump’s declaration of a “National Emergency” and Ohio Governor DeWine’s declaration of a “State of Emergency” for the state of Ohio, including the banning of many diverse events and the closing of all sit-down restaurant establishments in the state of Ohio. I have taken all this into consideration in issuing this Order.

I am hereby ordering that our scheduled May 16th, 2020 Ohio Commandery meeting is officially cancelled, all business that was to take place at the May meeting will be postponed and completed at the September meeting.

This was a difficult decision, but it is my responsibility to protect the membership of the Companions of the Ohio Commandery, by enforcing the W.H.O., C.D.C. and government strong suggestions of “social distancing” and the closing of Ohio sit-down restaurant establishments to provide protection for our older or high-risk Companions.

Loyal,

Peter J. Hritsko
Commander, Commandery State of Ohio
Military Order of the loyal Legion of the United States
